PAYMENT POLICY

In order to establish optimal relations with our patients and avoid misunderstanding and confusion regarding our payment policies, our staff is trained to consistently inform you of the financial payment policies of this office. Payment is required for all services at the time they are rendered. If you are on an insurance plan in which we participate, we will follow the contractual terms required, but it is the patient's responsibility to provide proper identification and, when necessary, the proper referral or other documents required by your insurance company. We accept Medicare assignment. Before insurance claims are filed, coverage will be pre-verified and you will be asked to pay any unmet deductible, non-covered services and co-payments. I understand that my insurance carrier does not guarantee coverage; therefore I will be responsible for payment in full. If your carrier has not paid in sixty (60) days, we expect full payment from you. All services furnished by us are charged to the patient or, if a minor, his/her authorized guarantor, NOT the insurance carrier. In the event that your account must be turned over to collections, a collection fee will be added to your account. There is \$45 service fee for all returned checks. Your signature below signifies your understanding and willingness to comply with this policy. We accept payment in the form of cash, check or credit card. There is a \$25 no show/late cancellation fee. If you cancel without 24 hour notice, you will be charged the fee. Special circumstances will be subjected to the office manager's approval.

I authorize the release of medical information to my primary care or referring physician, to consultants if needed and as necessary to process insurance claims, insurance applications and prescriptions. I also authorize payment of medical benefits to Dr George Wooming.

AGREEMENT AS TO RESOLUTION OF CONCERNS

"Physician" shall be understood to mean George Wooming and Knox Dermatology.

I understand that I am entering into a contractual relationship with the physician for professional care. I further understand that meritless and frivolous claims for medical malpractice have an adverse effect upon the cost and availability of medical care to patients and may result in irreparable harm to a medical provider. As additional consideration for professional care provided to me by the physician, I, the Patient/Guardian, agree not to initiate or advance, directly or indirectly, any meritless or frivolous claims of medical malpractice against the physician.

Should I, initiate or pursue a meritorious medical malpractice claim against Physician, I agree to use an expert witness (with respect to issues concerning the standard of care), only physicians who are board certified by the American Board of Dermatology. Further, I agree that these physicians retained by me or on my behalf to be expert witnesses will be members in good standing of the American Board of Dermatology.

I, agree the expert will be obligated to adhere to the guidelines or code of conduct defined by the American Board of Dermatology.

I, agree to require any attorney I hire and any physician hired by me or on my behalf as an expert witness to agree to these provisions.

In further consideration, Physician also agrees to exactly the same above-referenced stipulations.

Each party agrees that a conclusion by a specialty society affording due process to an expert will be treated as supporting or refuting evidence of a frivolous or meritless claim.

Patient/guardian and physician agree that this Agreement is binding upon them individually and their respective successors, assigns, representatives, personal representatives, spouses and other dependents.

Physician and patient/guardian agree that these provisions apply to any claim for medical malpractice whether based on a theory of contract, negligence, battery or any other theory of recovery.

Patient/guardian acknowledges that he/she has been given ample opportunity to read this agreement and to ask questions about it.
